concerned with making ancient knowledge immediate for today this practical book explains the reasons for ritual relates the tree of life to depth psychology and gives a number of useful exercises to practise

reuchlin's keen interest in jewish mysticism resulted in the original publication of this work in 1517 the first part of this dialogue reflects on messianism the second part on the relation of the pythagorean system to the kabbalah and the third on the practical kabbalah ø the german humanist johann reuchlin 1455 1522 defended the value of jewish scholarship and literature when it was unwise and unpopular to do so as g lloyd jones points out a marked mistrust of the jews had developed among christian scholars during the later middle ages it was claimed that the rabbis had purposely falsified the text of the old testament and given erroneous explanations of passages which were capable of a christological interpretation christian scholars most certainly did not advocate learning the hebrew language ø reuchlin was exceptional in pursuing and promoting hebrew studies believing that a working knowledge of that language was essential for a true appreciation of the bible and rabbinic literature refusing to join christian contemporaries who wished to destroy the kabbalah and the talmud he spoke out against ignorance christians could have a useful dialogue with jews if they gained a thorough knowledge of the writings of jewish exegetes and philosophers toward that end he proposed university endowments that aroused the fury of opponents and led to the famous battle of the books ø reuchlin's keen interest in jewish mysticism resulted in the publication of *de arte cabalistica* in 1517 the first part of this dialogue reflects on messianism the second part on the relation of the pythagorean system to the kabbalah and the third on the practical kabbalah according to jones reuchlin demonstrates how christians can make profitable use of jewish mystical writings and therefore shares with the reader his understanding of the art of the kabbalah that art will reach more readers in this modern english language translation by martin and sarah goodman it reinforces the historical importance of the man who prevented the

destruction of jewish books and anticipated the more liberal climate of the reformation

at the dawn of the deadliest era in human history the 20th century a mysterious man appeared on the socio political scene carrying a stern warning for humanity and an unlikely solution to its suffering in his writings kabbalist yehuda ashlag described in clarity and great detail the wars and upheavals he foresaw and even more strikingly the current economic political and social crises we are facing today his deep yearning for a united humanity has driven him to unlock the book of zohar and make it and the unique force contained therein accessible to all the kabbalist is a cinematic novel that will turn on its head everything you thought you knew about kabbalah spirituality freedom of will and our perception of reality it is the first book of its kind to try to convey the inner workings and sensations of a kabbalist who reached the highest level of attainment a person who is in direct contact with the singular force governing all of reality the kabbalist carries a surprising message of unity with scientific clarity and poetic depth it transcends religion nationality mysticism and the sheer fabric of space and time to show us that the only miracle is the one taking place within when we begin to act in harmony with nature and with the entire humanity it shows us that we can all be kabbalists

provides an introduction to the world of the kabbalah focusing on both the kabbalist as a person and the major teachings of the kabbalah

with the publication of the origins of the kabbalah in 1950 one of the most important scholars of our century brought the obscure world of jewish mysticism to a wider audience for the first time a crucial work in the oeuvre of gershom scholem this book details the beginnings of the kabbalah in twelfth and thirteenth century southern france and spain showing its rich tradition of repeated attempts to achieve and portray direct experiences of god the origins of the kabbalah is a contribution not only to the history of jewish medieval mysticism but also to the study of medieval mysticism in general now with a new foreword by david biale this book remains essential reading for students of the history of religion

reveals the transformative spiritual work by which the soul can reach ever higher dimensions of

consciousness relates the soul levels of the zohar to the various paths the soul may travel toward ultimate realization introduces a new meditative technique called the transformative moment throughout the history of the jewish esoteric tradition humankind has been understood to play a pivotal role in the perfection of the cosmos uniting the finite with the infinite in the perfection of divine personality working from an original synthesis of the major kabbalistic traditions of cosmology derived from the bible the zohar and the school of isaac luria leonora leet has erected a new framework for understanding the mechanism of the transformative spiritual work that enables the human soul to reach increasingly higher dimensions of consciousness this analysis extends the frontiers of leet s prior works on the kabbalah to provide a new illumination of human possibilities leet first considers the false temptations of worldly power and pleasure that lead to the fall of the soul and then the means of its redemption she develops a powerful meditative technique called the transformative moment whose workings are exemplified by jacob and joseph and that allow the individual to progress through all the higher levels of the soul even possibly to attain the miraculous powers of the legendary spiritual masters she further correlates the hierarchy of soul levels with ezeziel s throne vision to show the various paths the soul may travel toward self realization sex love power knowledge holiness and unification the first four paths relate to the four faced living creatures chayot of ezeziel s throne vision the bull ox lion eagle and man the final two paths correlate to the prophet and the envisioned man on the throne he recognizes to be his divine higher self the knowledge that defines the secret doctrine of the whole of the jewish mystical tradition culminating in the kabbalah
